Video Recording & Production Guidelines:

- **Dimensions:** 1080x1920 (9:16 Vertical for Reels/Shorts/TikTok) or 1920x1080 (16:9 for YouTube).
- **Screen Zoom:** Set browser zoom to 125%–140% so text and metric cards are sharp on mobile phones.
- **Voice Pacing:** Deliver at 130–150 words per minute with enthusiastic, professional energy.
- **Call to Action:** Always point viewers to <https://casjoe.com> at the end of each short.

01. Platform Overview & AI Business Builder

Focus: First-time onboarding, all-in-one business operating system • **Target Duration:** 60 Seconds

TIMING	ON-SCREEN ACTION (VISUALS)	VOICEOVER NARRATION
0:00 - 0:10	Montage of business owner with 10 open browser tabs, switching smoothly to the sleek Casjoe dashboard.	"Running a business shouldn't mean juggling 10 different apps for invoicing, payroll, contracts, and cards. Welcome to Casjoe — your all-in-one business operating system."
0:10 - 0:25	Screen record the AI Business Builder answering 3 quick questions about business type, industry, and currency.	"When you sign up, our AI Business Builder configures your entire workspace in under 60 seconds — setting up your chart of accounts, CRM pipeline, and team modules tailored to your business."
0:25 - 0:45	Quick pan through Casjoe ERP, Casjoe Pay, and Document Signing.	"Track finances in real-time, generate client contracts with legal e-signatures, run payroll, and issue virtual dollar cards — all from a single, unified login."
0:45 - 1:00	End on Casjoe logo and CTA button: Get Started Free at casjoe.com.	"Stop wasting money on disconnected subscriptions. Upgrade your business to Casjoe today. Sign up free at casjoe.com!"

02. AI Office & Virtual Employees

Focus: AI-assisted operations, automation approval queue • **Target Duration:** 60 Seconds

TIMING	ON-SCREEN ACTION (VISUALS)	VOICEOVER NARRATION
0:00 - 0:12	Open /ai-office. Zoom in on virtual team avatars: Accountant, Marketer, Support Agent, Operations.	"Meet your new 24/7 executive team inside Casjoe AI Office. Imagine having a dedicated accountant, marketer, and operations manager without the payroll overhead."
0:12 - 0:30	Type into chat: 'Generate an invoice for client Acme Corp for \$1,200 web design'. AI instantly generates invoice draft.	"Just type what you need in plain English. Your AI Accountant drafts invoices, your AI Marketer writes social campaigns, and your AI Manager analyzes your revenue trends."
0:30 - 0:48	Show the Action Approval Queue where the user clicks 'Approve' before any action goes live.	"You stay in full control. High-impact tasks sit in your Approval Queue. Review the work with one click, approve it, and let AI execute your business routines automatically."
0:48 - 1:00	Screen showing mobile chat interface.	"Put your business operations on autopilot with Casjoe AI Office. Visit casjoe.com to hire your first AI employee today!"

03. E-Sign & Document Signing

Focus: Contracts, NDAs, mobile signing without accounts • Target Duration: 75 Seconds

Timing	On-Screen Action (Visuals)	Voiceover Narration
0:00 - 0:12	Click E-Sign & Documents in ERP sidebar. Show metric cards: Awaiting Signature, Signed & Completed.	"Still printing, signing, scanning, and emailing contracts? Here is how you can close agreements 10 times faster with Casjoe E-Sign."
0:12 - 0:30	Click New Document / Contract. Click Non-Disclosure Agreement quick template. Select client contact from dropdown.	"Start from scratch or click one of our ready-made legal templates — like Mutual NDAs, Service Agreements, or Offer Letters. Select your client or staff member to auto-fill their details."
0:30 - 0:48	Click Create & Ready for Signing. Click Copy Link. Switch to phone view showing /sign/{uuid}.	"Click Create, then copy your secure signing link and send it via WhatsApp or email. Your client doesn't need an account! They open the link on their phone, review terms, and draw their signature on screen."
0:48 - 1:05	Recipient signs, clicks submit. Dashboard flips to Signed & Completed with digital certificate.	"The moment they sign, Casjoe captures an audit trail with timestamp and IP verification, generating a print-ready legal certificate."
1:05 - 1:15	Show print PDF view with the verified signature badge.	"Professional, legally-binding, and completely seamless. Try Casjoe E-Sign today!"

04. Financial Overview & Cashflow Ledger

Focus: Total Income, Total Expenses, Net Profit, Cash Balance • Target Duration: 60 Seconds

Timing	On-Screen Action (Visuals)	Voiceover Narration
0:00 - 0:12	Open /erp/finance/dashboard. Highlight 4 stat cards: Green (Income), Red (Expenses), Blue (Net Profit), Cyan (Cash Balance).	"Want to know your exact financial health in 3 seconds? Let's look at Casjoe ERP's Financial Overview."
0:12 - 0:32	Point cursor at each card as narration mentions them.	"At a single glance, you see your Total Revenue Inflow, Total Outflow across all expenses, your true Net Profit, and your liquid Cash Balance across your accounts."
0:32 - 0:48	Scroll down to Recent Transactions table. Show positive (+) green inflows and negative (-) red expenses.	"Every invoice payment and expense recorded by your team or AI manager automatically synchronizes into your live cashflow ledger — with zero manual double-entry."
0:48 - 1:00	Click on All Transactions.	"Take total control of your business numbers with Casjoe Finance. Head over to casjoe.com to get started."

05. Importing Transactions & Cleaning Duplicates

Focus: Excel/CSV import, duplicate detection, bulk delete • **Target Duration:** 60 Seconds

TIMING	ON-SCREEN ACTION (VISUALS)	VOICEOVER NARRATION
0:00 - 0:12	Go to /erp/transactions. Click Import Excel / CSV.	"Switching from spreadsheets or another accounting tool? Moving your transaction history to Casjoe takes less than a minute."
0:12 - 0:28	Drag and drop an .xlsx bank statement file into upload zone and click Import. Show success banner.	"Upload your bank statement in Excel or CSV format. Casjoe automatically maps dates, amounts, categories, and inflow/outflow types seamlessly."
0:28 - 0:45	Click Clean Duplicates in top bar. Show confirmation prompt removing 2 duplicate entries.	"Worried about accidental double imports? Just click 'Clean Duplicates'. Casjoe scans your entire ledger and safely deletes redundant copies while keeping your earliest record."
0:45 - 1:00	Select 3 row checkboxes. Show floating Delete Selected bar appear.	"Need to bulk delete? Use row checkboxes or the Delete All button to manage your records with complete flexibility. Simple, fast, and stress-free."

06. Invoicing & Instant Online Payments

Focus: Invoices, automated totals, online payment links • **Target Duration:** 65 Seconds

TIMING	ON-SCREEN ACTION (VISUALS)	VOICEOVER NARRATION
0:00 - 0:12	Open /erp/finance/invoices. Click New Invoice.	"Get paid twice as fast with professional digital invoices from Casjoe ERP."
0:12 - 0:30	Select client from dropdown, add line items with quantities and prices. Totals calculate automatically. Click Save.	"Select your client, add your products or services, and watch totals, taxes, and discounts calculate in real-time. Hit send, and your client receives a branded invoice with an instant payment link."
0:30 - 0:50	Open public invoice view /invoice/{uuid}. Show the Pay Now button with Flutterwave/Paystack card & transfer options.	"Your client opens the invoice and clicks 'Pay Now' to settle via Card, USSD, or Bank Transfer. The moment payment clears, the invoice status automatically flips to 'Paid'."
0:50 - 1:05	Show revenue reflected on Financial Overview.	"No chasing clients, no manual reconciliation. Upgrade your invoicing today with Casjoe!"

07. Office Fixed Assets Management

Focus: Laptops, machinery, depreciation, staff assignment • **Target Duration:** 60 Seconds

Timing	On-Screen Action (Visuals)	Voiceover Narration
0:00 - 0:12	Click Office Assets under Finance (/erp/assets). Show metric cards: Total Assets, Total Value, Active, In Repair.	"Who has the company MacBook? What's your total equipment valuation? Casjoe Office Assets makes tracking company property effortless."
0:12 - 0:30	Click Register New Asset. Enter MacBook Pro M3, serial number, purchase cost, and assign to employee.	"Register any company asset — from laptops and office furniture to company vehicles. Record serial numbers, purchase dates, warranty info, and assign them directly to staff members."
0:30 - 0:48	Show status badges (Active, In Repair, Retired) and Edit/Delete action buttons.	"Update equipment maintenance status, track depreciation over time, and know exactly which employee is holding company property."
0:48 - 1:00	End on clean assets overview table.	"Protect your company assets and maintain accurate books with Casjoe ERP."

08. CRM Pipeline & Booking Scheduler

Focus: Sales funnels, deal stages, appointment scheduling • **Target Duration:** 70 Seconds

Timing	On-Screen Action (Visuals)	Voiceover Narration
0:00 - 0:12	Open /erp/crm/pipeline. Show Kanban deal board with stages (Lead In, Contacted, Proposal Sent, Won).	"Never let another sales lead slip through the cracks. This is the Casjoe CRM Pipeline."
0:12 - 0:30	Drag and drop a deal card from Contacted to Proposal Sent.	"Track every prospect visually on your interactive sales board. Drag and drop deals across stages, log calls, and let your team collaborate on winning accounts."
0:30 - 0:50	Open /erp/scheduler. Show public booking link (/erp/scheduler/book/my-calendar).	"Need clients to book discovery calls or appointments? Share your custom Casjoe Booking link. Prospects pick an open slot that automatically syncs with your schedule."
0:50 - 1:10	Show confirmed lead appearing in CRM.	"Automate your sales appointments and scale your revenue with Casjoe CRM. Try it today at casjoe.com!"

09. HR Management, Attendance & Payroll

Focus: Employee records, clock-in/out, 1-click payroll • **Target Duration:** 75 Seconds

TIMING	ON-SCREEN ACTION (VISUALS)	VOICEOVER NARRATION
0:00 - 0:15	Open /erp/hr. Show employee directory with department filters and avatars.	"Managing a modern team shouldn't be complicated. Casjoe HR unifies your staff directory, daily attendance, and payroll in one place."
0:15 - 0:35	Show /erp/attendance with employee clock-ins and /erp/leave showing pending requests with Approve/Reject buttons.	"Track team attendance, approve or reject vacation requests in seconds, and maintain digital employee files with salary and emergency contact details."
0:35 - 0:55	Open /erp/payroll. Click Generate Monthly Payroll. Show salary breakdowns, tax deductions, and net payouts.	"When the month ends, generate your complete company payroll with a single click. Calculate taxes, deductions, and bonuses automatically."
0:55 - 1:15	Show employee receiving pay slip in My Portal.	"Your staff get instant access to their digital pay slips and leave balances through their own Self-Service portal. Empower your team with Casjoe HR!"

10. HR SOPs & Staff Policy Sign-offs

Focus: Employee handbooks, compliance tracking, e-signatures • **Target Duration:** 60 Seconds

TIMING	ON-SCREEN ACTION (VISUALS)	VOICEOVER NARRATION
0:00 - 0:12	Go to /erp/sops. Click Create SOP / Policy.	"How do you prove that your staff actually read and agreed to your company policies? Meet Casjoe SOPs & Compliance."
0:12 - 0:30	Type policy title: Remote Work Security Policy, attach handbook text, and assign to Engineering Department.	"Publish standard operating procedures, employee handbooks, or safety guidelines and assign them to departments or new hires with mandatory sign-off."
0:30 - 0:48	Switch to employee view: Staff reads policy, checks agreement box, and draws signature on screen.	"Employees review the policy on their portal, check the agreement terms, and draw their signature on their phone or laptop."
0:48 - 1:00	Go to /erp/sops/tracking. Show 100% compliance rate badge with signed certificates.	"HR monitors compliance live in the tracking dashboard. Stay audit-ready with Casjoe ERP!"

11. Casjoe Pay: Multi-Currency Wallet & Virtual Cards

Focus: Global spending, Facebook/Google ads, USD virtual cards • **Target Duration:** 65 Seconds

TIMING	ON-SCREEN ACTION (VISUALS)	VOICEOVER NARRATION
0:00 - 0:12	Open /pay. Show balances: NGN & USD wallets.	"Tired of international payment limits and declining bank cards when paying for software and online ads? Say hello to Casjoe Pay."
0:12 - 0:30	Click Create Virtual Card. Choose USD Visa or Naira Mastercard. Enter funding amount (\$50).	"Create instant virtual dollar and naira cards directly from your wallet. Fund your card in seconds to pay for Facebook Ads, Google Ads, AWS, OpenAI, or international shopping."
0:30 - 0:50	Click Reveal Card Details. Secure proxy loads card number, expiration, and CVV.	"Your card details are protected by high-grade encryption. Reveal your card digits instantly, set spending limits, or freeze cards with a single toggle."
0:50 - 1:05	Show transaction history with instant notification.	"Pay globally without borders. Activate your Casjoe Pay virtual cards today!"

12. Casjoe Pay: 4-Digit PIN Security & Self-Service Reset

Focus: Brute-force lockout, self-service reset via email OTP • **Target Duration:** 65 Seconds

TIMING	ON-SCREEN ACTION (VISUALS)	VOICEOVER NARRATION
0:00 - 0:12	Open /pay/pin/verify. Show the 4-digit PIN keypad.	"Your wallet security is our top priority. Here is how Casjoe Pay protects your funds with bank-grade security."
0:12 - 0:30	Enter wrong PIN twice: Show warnings (2 attempts remaining, 1 attempt remaining). Enter wrong PIN 3rd time: Red lockout banner appears (Locked for 30 minutes).	"To stop unauthorized users from guessing your PIN, Casjoe automatically locks the wallet after 3 failed attempts with real-time attempt warnings."
0:30 - 0:50	Click Forgot PIN?. Enter account login password. Instant 6-digit OTP email arrives. Enter OTP code.	"Forgot your PIN? No need to wait on customer support. Click 'Forgot PIN', verify your account password, and enter the 6-digit security code sent to your email."
0:50 - 1:05	Set new 4-digit PIN and successfully unlock wallet.	"Create your new private 4-digit PIN and your wallet is unlocked immediately. Safe, secure, and always accessible with Casjoe Pay."

13. Casjoe SmartForms & E-Signature Intake

Focus: Lead capture, waivers, customer intake with signature pad • **Target Duration:** 60 Seconds

TIMING	ON-SCREEN ACTION (VISUALS)	VOICEOVER NARRATION
0:00 - 0:12	Open Casjoe SmartForms builder. Show drag-and-drop elements.	"Need customer intake forms, client agreements, or surveys that capture signatures? Build them in minutes with Casjoe SmartForms."
0:12 - 0:30	Drag in Name, Email, File Upload, and the Signature Pad field. Click Publish.	"Drag and drop form fields with zero coding. Add our built-in Signature Pad so clients can sign waivers or service terms right inside the form."
0:30 - 0:48	Open mobile form link. Fill details, draw signature, click submit.	"Share your form via a custom link or embed it directly on your website. Submissions flow automatically into your dashboard with instant notifications."
0:48 - 1:00	View responses table showing captured signatures and export to CSV.	"Collect leads, data, and signed agreements effortlessly with Casjoe SmartForms!"

14. Casjoe Links: Bio Microsite Builder

Focus: Link-in-bio, brand links, social conversion • **Target Duration:** 60 Seconds

TIMING	ON-SCREEN ACTION (VISUALS)	VOICEOVER NARRATION
0:00 - 0:12	Show an Instagram or TikTok bio with link: casjoe.com/@yourbrand . Click it to open a beautiful mobile landing page.	"Stop losing followers to dead ends in your social bio. Turn your bio link into a high-converting storefront with Casjoe Links."
0:12 - 0:30	Show Casjoe Links builder: customize colors, add social links, WhatsApp chat button, and featured products.	"Customize your brand colors, add links to your website, booking calendar, WhatsApp chat, and featured products — all on one mobile-friendly page."
0:30 - 0:48	Show live visitor analytics graph (clicks, impressions, top referrers).	"Track total clicks and visitors with built-in analytics so you know exactly which campaigns are driving sales."
0:48 - 1:00	Claim slug prompt: casjoe.com/@yourname .	"Claim your custom branded link today at casjoe.com and start converting your social followers into paying customers!"
